

REGULAR MEETING
APRIL 25, 2011
5:30 P.M.

Book 31 Page 422

The Lafayette County Commission met on the above date and hour for a regular scheduled meeting. The meeting was held in the County Commissioner's Meeting Room in Mayo, Florida. The following members were present: Commissioner Lance Lamb, Dist. 1; Commissioner Gail Garrard, Dist. 2; Commissioner Donnie Hamlin, Dist. 3; Commissioner T. Jack Byrd, Dist. 4; Commissioner Earnest Jones, Dist. 5; and Lafayette County Attorney Leenette McMillan-Fredriksson.

APPROVE THE MINUTES

On a motion by Mr. Lamb and a second by Mr. Byrd, the Board voted unanimously to approve the minutes.

PROPOSED AMENDMENT TO ORDINANCE 2006-04

On a motion by Mr. Byrd and a second by Mr. Lamb, the Board voted unanimously to have Mrs. McMillan-Fredriksson read proposed amendment to Ordinance 2006-04 by title only. On a motion by Mr. Hamlin and a second by Mr. Byrd, the Board voted unanimously to continue this until the board meeting on May 23, 2011.

PAST DUE C&D SOLID WASTE BILL

The Board discussed a past due C&D solid waste bill from 2009. On a motion by Mrs. Garrard and a second by Mr. Lamb, the Board voted unanimously to authorize Mr. Byrd to speak with the owner of the company and tell him that the interest on this account will be waived if he will pay the total balance due.

RESOLUTION OPPOSING JEA APPLICATION #2-031-88271-11

On a motion by Mrs. Garrard and a second by Mr. Hamlin, the Board voted unanimously to have Mrs. McMillan-Fredriksson read a Resolution opposing JEA Application #2-031-88271-11. On a motion by Mr. Hamlin and a second by Mrs. Garrard, the Board voted unanimously to adopt the Resolution.

ROAD RE-OPENING DISCUSSED AT MEETING ON APRIL 11, 2011

Mr. Lamb withdrew his motion from the meeting on April 11, 2011 to re-open Folsom Road and to put it back on the floor for discussion. On a motion by Mr. Lamb and a second by Mr. Byrd, the Board voted unanimously to leave the road closed until a deed or easement is executed with all five parties signatures on it.

Book 31 Page 423

APPROVE ALL DOCUMENTS TO CLOSE OUT THE HARDENBERGH BOAT RAMP PROJECT

On a motion by Mr. Hamlin and a second by Mr. Byrd, the Board voted unanimously to approve the signing and payment of all documents to close out the Hardenbergh Boat Ramp project.

APPROVE THE BILLS

On a motion by Mr. Hamlin and a second by Mr. Byrd, the Board voted unanimously to approve the following bills:

General Fund - \$102,627.93

Industrial Park - 59.76

E911 Fund - \$634.15

Capital Projects Fund - \$1,257.97

APPROVE HIRING PART TIME EMT

On a motion by Mr. Hamlin and a second by Mr. Lamb, the Board voted unanimously to hire Gregory Gatzke as a part time EMT.

FINANCIAL ASSISTANCE POLICY

On a motion by Mr. Byrd and a second by Mr. Hamlin, the Board voted unanimously to approve a Financial Assistance Policy for EMS.

RESCUE HIPPA POLICY

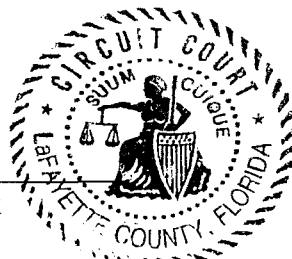

On a motion by Mr. Hamlin and a second by Mrs. Garrard, the Board voted unanimously to approve the Rescue HIPPA Policy.

ADJOURN

On a motion by Mr. Byrd and a second by Mr. Lamb, the Board voted unanimously to adjourn.

Attest:

Ricky Lyons, Clerk

Earnest L. Jones, Chairman

Approved this 9th day of May, 2011.

RESOLUTION

2010-4-2-1

*Opposing JEA Application #2-031-88271-11
to St. Johns River Water Management District*

Book 31 Page 424

**BOARD OF COUNTY COMMISSIONERS
LAFAYETTE COUNTY, FLORIDA**

WHEREAS, Lafayette County is a rural community located to the West of the St. Johns River Water Management District; and

WHEREAS, Lafayette County, or its agent, has reviewed and studied the published effects of JEA Application #2-031-88271-11 to the St. Johns Water Management District; and

WHEREAS, the impact on Lafayette County and all of North Florida will be severe and irreversible; and

WHEREAS, JEA's massive increase in water usage over the 20 year period of the permit will prove severely detrimental to our rivers, springs and groundwater; and

WHEREAS, it will adversely affect our recreation and farming industries;

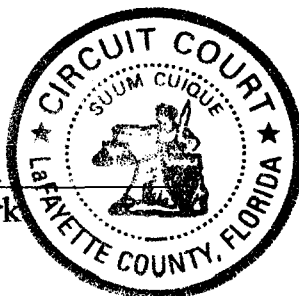

NOW, THEREFORE, BE IT RESOLVED BY THE LAFAYETTE COUNTY BOARD OF COUNTY COMMISSIONERS that the Board does pass this resolution in opposition to said application.

This Resolution adopted by the Lafayette County Board of County Commissioners this 25th day of April, 2011.

BY *Earnest L. Jones*
Earnest L. Jones, Chairman
Board of County Commissioners

RE: Compliance with the January 1, 2013 Narrowbanding Deadline

Dear Licensee:

The Federal Communications Commission's database shows that 1 of the Public Safety Pool authorizations for which you are licensee of record contain(s) an emission designator authorizing "wideband" operation with a channel bandwidth in excess of 12.5 kilohertz (kHz). See lead call sign WQFT873. While such wideband operation is currently permissible, this is a reminder that the **deadline** for converting to "narrowband" operation is quickly approaching. You must bring these facilities into compliance with the Commission's narrowbanding rules by **January 1, 2013**, either by migration to 12.5 kHz (or narrower) channel bandwidth or by utilization of technology that achieves equivalent efficiency.¹ The Commission began implementing the narrowbanding rules over ten years ago and set January 1, 2013 as the deadline to give licensees ample time to comply. If you have not done so already, we urge you to take the necessary steps as soon as possible to ensure timely compliance with the January 1, 2013 deadline.

Timely completion of narrowbanding is important because it will ensure more efficient use of the spectrum, relieve congestion, and result in increased channel availability for land mobile radio systems. In addition, after the January 1, 2013 deadline, the Commission's rules will no longer protect unauthorized wideband operations from harmful interference, availability of wideband equipment will diminish or cease, and the Commission may license new narrowband facilities that overlap pre-2013 wideband channels. Unauthorized wideband operation after this date in violation of the Commission's rules may subject licensees to enforcement action, including monetary forfeitures or license revocation. If newly authorized facilities receive harmful interference from unauthorized wideband operations, the Commission may require the non-compliant wideband operator to promptly remedy the interference, which may include cessation of operations, if necessary.

The Commission has information resources available to assist you in the narrowbanding process. For further information regarding the narrowbanding rules, planning for the narrowbanding process, frequently asked questions, and links to technical and funding resources, please go to www.fcc.gov/narrowbanding. In addition, the U.S. Department of Homeland Security's Office of Emergency Communications has recently released a guidance document entitled "A Practical Guide to Narrowbanding," which is available at http://www.dhs.gov/files/publications/gc_1285865538920.shtm. Licensees may also send questions by e-mail to narrowbanding@fcc.gov or by contacting Mr. Roberto Mussenden of the FCC Public Safety and Homeland Security Bureau, Policy Division, (202) 418-1428, Roberto.Mussenden@fcc.gov, or the Commission's Consumer Center at 888-CALL-FCC (888-225-5322).

Sincerely yours,

James Arden Barnett, Jr., Rear Admiral (Ret.)
Chief, Public Safety & Homeland Security Bureau

ATTACH

LAFAYETTE COUNTY
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
HOUSING REHABILITATION/REPLACEMENT PROGRAM

The Lafayette County Board of County Commissioners has received a CDBG grant to rehabilitate or replace a minimum of 10 owner-occupied primary residences in the unincorporated area of Lafayette County. The County will spend \$595,000 from the CDBG grant on the properties, and will also contribute \$120,000 in SHIP program funds, for a total of \$715,000 in direct assistance.

Homes may be either site-built or mobile homes constructed after 1995. Clear title to the property is required, although a mortgage on the property may exist if the balance is in line with the property value, and the owner has a good payment history. All property taxes and assessments must be current before the homeowner's application will be approved. The homeowner must demonstrate reasonable care of the property, including the yard.

Of the 10 households to be assisted, 2 must be in the income range of 30% of the area median income. Another 2 households must be in the income range of 50% of the area median income. The remaining 6 households may have incomes up to 80% of the area median income.

The financing will be in the form of a deferred payment loan to the owner. The term of the loan will be for five years for loans of less than \$25,000, seven years for \$25,000 to \$40,000, and ten years for loan of more than \$40,000.

The cost limit for rehabilitation will be limited to \$40 per square foot for site-built dwellings, not to exceed \$40,000. The cost limit for mobile or manufactured homes constructed in 1995 or later will be \$11 per square foot, not to exceed \$15,000.

The limit of CDBG financial assistance for replacement site-built housing is \$85 per square foot, up to \$80,000 per home. The limit of CDBG financial assistance for replacement of a mobile home with another mobile home is determined by the current cost of a comparably sized new replacement mobile home of high quality, plus associated costs of set-up, clearing the site of the old home, and the other applicable costs described above. In no case will the total CDBG assistance exceed \$40,000.

If the title search reveals additional owners other than occupants of the property, the applicant may take actions to obtain title from the other owners. If this occurs in a timely manner and sufficient funds remain to provide assistance, the application may be reconsidered for approval.

The County may approve assistance for owner-occupants who have a life estate in their home. In such cases, the owners must execute the deferred payment loan along with the occupying life estate holder. Only the life estate holder would be considered the owner-occupant, so if that individual(s) did not maintain owner-occupancy due to death or non-residence, the loan amount would become due according to the terms of the loan.

In addition to providing information relating to income eligibility and ownership, the applicant must also provide proof of insurance on the dwelling. If the owner cannot obtain a homeowner fire and casualty insurance policy due to the poor condition of the dwelling, the owner must provide a deposit on an insurance policy that is to be issued contingent upon the construction being performed. The deposit

must be an amount equal to six months of coverage for not less than the CDBG financing amount, plus any prior debt against the property. The homeowner must also obtain flood insurance for the complete after-rehabilitation or new construction value of the home if the home is located in a 100-year floodplain. The homeowner and flood insurance must be maintained by the owner for the full term of the CDBG deferred payment loan. The owner must be able to show the ability to pay for insurance, as well as other applicable housing expenses, in order to be approved for CDBG housing assistance.

Selection of homeowner applicants to assist may initially be on a first application completed and approved, first served basis. However, the administrator will review approved and potential rehabilitation and replacement cases to verify that the total number of housing units contracted in the CDBG grant agreement will be achieved, as well as the committed percentage/number of very low and low income homeowners and the contracted amount of leveraged local funds (SHIP or other). The application approval process must achieve the results contracted in the CDBG grant award, within the available grant period. This achievement will govern the application approval process. The Administrator will submit the list of qualified applicants to the Board of County Commissioners for approval prior to requesting bids.

If there are more eligible applications than can be approved through the first completed, first served approval process (within the above requirements), the administrator will rank the applicants according to a priority system. Priority will be given to applicants who have not received more than \$5,000 in housing assistance within the past five years, or \$10,000 within the past ten years, from the County or other government program such as weatherization, excluding loans requiring repayment. Within that group of applicants, and/or to rank the second tier of applicants, a scoring system may be used. One point will be assigned for each factor applicable to the owner and permanent residents of the home: a. owner(s) aged 65 or older, b. owner completely disabled, c. completely disabled dependent residing in the home.

Income Limit	Household Size							
	1	2	3	4	5	6	7	8
30% AMI	\$9,950	\$11,350	\$12,750	\$14,150	\$15,300	\$16,450	\$17,550	\$18,700
50% AMI	\$16,550	\$18,900	\$21,250	\$23,600	\$25,500	\$27,400	\$29,300	\$31,200
80% AMI	\$26,450	\$30,200	\$34,000	\$37,750	\$40,800	\$43,800	\$46,850	\$49,850

JOB TITLE: Lafayette County Public Works Mechanic

DEPARTMENT: Board of County Commissioners

Book 31 Page 428

GENERAL DESCRIPTION:

The Public Works Mechanic is a position under the direction of the County Public Works Director. It establishes an effective, economical preventive maintenance program and maintenance schedule for all county equipment and vehicles.

ESSENTIAL JOB FUNCTIONS:

- 1) Determine that repair and rehabilitation work is assigned appropriate priorities to the proper mechanics and that each vehicle is returned to operation in the quickest time practical, considering needs and economy of funds.
- 2) Determine that all maintenance, repair and rehabilitation of vehicle and equipment objectives are being achieved within established timelines.
- 3) Supervise the overall operation of all vehicles and equipment maintenance and repair shop and perform spot inspections of work performed by other mechanics.
- 4) Work with commercial insurance adjusters in arriving at estimates for repair of vehicles that have been involved in accidents.
- 5) Provide detailed specifications, as a basis for the purchase of vehicles, equipment and tools needed for the vehicle maintenance shops, and inspect newly-purchased vehicles, equipment and tools to determine that they fully meet such specifications.
- 6) Investigate the need and determine the type of new equipment to properly maintain Board-owned vehicles and equipment in accordance with State and federal regulations.
- 7) Determine the need for the purchase of oil, grease, tires and repair parts to meet the requirements of vehicle and machine maintenance.
- 8) Maintain records of all maintenance activities for all vehicles and equipment.
- 9) Assist the Director, as required, in the planning and preparation of the transportation budget.
- 10) Perform mechanical work on vehicles and equipment as needed.
- 11) Demonstrate initiative in the performance of assigned responsibilities.

*approved
BCC

Book 31 Page 429

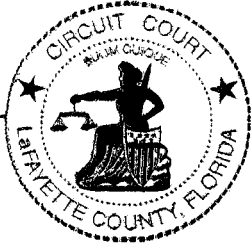

- 12) Follow attendance, punctuality and other qualities of an appropriate work ethic.
- 13) Ensure adherence to good safety standards.
- 14) Maintain expertise in assigned area to fulfill position goals and objectives.
- 15) Participate successfully in the training programs offered to increase skill and proficiency related to assignment.
- 16) Exercise service orientation when working with others.
- 17) Keep supervisor informed of potential problems or unusual events.
- 18) Use effective, positive interpersonal communication skills.
- 19) Respond to inquiries and concerns in a timely manner.
- 20) Follow federal and state laws as well as County Commission policies, rules and regulations.
- 21) Demonstrate initiative in identifying potential problems or opportunities for improvement.
- 22) Prepare or assist in the preparation of all required reports and maintain all appropriate records.
- 23) Participate in cross-training activities as required.
- 24) Perform other tasks as needed.

MINIMUM JOB QUALIFICATIONS:

- 1) High School Diploma.
- 2) Three years experience as an automotive mechanic with at least one year of experience working on trucks and diesel equipment.
- 3) Must possess a valid Florida Class A CDL Driver's License or obtain within 6 months.
- 4) Successful completion of a drug test. Background checks may be required.
- 5) Heavy work – exerting up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently and/or up to 20 pounds of force as needed to move objects.

TERMS OF EMPLOYMENT:

- Salary and benefits shall be paid consistent with the County's approved compensation plan.

Ms. Katrina Sadler
Planning Programs Administrator
Florida Department of Transportation
1109 S. Marion Avenue
Lake City, FL 32025-5874

Dear Katrina,

Please find below our list of roads for the SCRAP and SCOP projects:

- A) Resurface CR 534 going south from Buckville approximately 3 miles then east approximately 4 miles to the intersection of US 27.
- B) Resurface CR 490 from the intersection of CR 500 running east approximately 2 miles to Dorothy Land Park.
- C) From US 27 in Mayo, widen CR 300 18"-24" on each side approximately 3.5 miles to the intersection of CR 320.
- D) Resurface CR 351 beginning at the intersection of CR 534 running north approximately 1.25 miles then west approximately .5 miles to Pleasant Grove Baptist Church.
- E) NE Rowan Road – surface existing county graded road running east from CR 354 approximately ½ mile to NE Morning Glory Road.
- F) NE Shady Oaks Road – surface existing county graded road running north from CR 400 approximately 2 miles to County Road 354.

Also, during the County Commission Meeting that you all attended I was requested to mention the dangerous turning radius at the red light in Mayo. Please review that situation.

Lafayette County Board of County Commissioners
Lafayette County Rescue HIPAA Policy
Quality Assurance / Quality Improvement Review and Participation
Pledge of confidentiality and Acknowledgement
ADOPTED: April 11, 2011

Book 31 Page 435

The Code of Federal Regulations (45 CFR Parts 160,162 &164) , Health Insurance Portability and Accountability Act, (HIPAA), governs the confidentiality of private information in regards to status, treatment, diagnosis, prognosis, financial and personal demographics concerning any patient in the healthcare field, private or public.

This prohibits(except when required by Florida Statute) you from making disclosure of any information obtained / observed during the QA/QI Review process, while responding to a call, or any witness to patient care and treatment.

As a participant of the Lafayette County Rescue QA/QI Review process you may not disclose any written or oral information regarding any consumer, past or current. This includes any reference to identity, physical whereabouts, diagnosis, treatment or prognosis.

Any person who violates any provision of this regulation may be subject to fines with limits set by the HIPAA regulations governing this violation.

As a participant, I agree to abide by all confidentiality and privacy principles. I also understand that:

1. The information observed or obtained in the Lafayette County Rescue QA/QI Review process will not be used for any purpose other than said QA/QI Review process.
2. I must maintain patient confidentiality.
3. I understand that this QA/QI Review process is protected under the Code of Federal Regulation (45 CFR Parts 160,162 &164) and, as such, the information protected by these statutes may be immune from discovery in any civil, criminal or administrative proceedings.
4. Prior to responding to any request for information related to this event, I am to contact Trevor Hicks or Regina Byrd at (386)294-1633.

Having read the above, I am aware that any and all information regarding consumers/clients/patients of Lafayette County Rescue is to be held in strict confidence and not to be discussed with anyone.

I signify that I have read and am willing to comply with the above statement. I understand that in the event that it is proven that I have violated this policy; there are penalties that will be imposed both in the Civil and Criminal Judicial System.

I further understand that given the severity and nature of such violation, my employment with Lafayette County Rescue will be TERMINATED IMMEDIATELY.

INDEPENDENT CONTRACTOR AGREEMENT

This agreement is made and entered into this _____ day of May, 2011 by and between the Lafayette County Board of County Commissioners (BOCC) and _____ (Contractor).

Whereas the BOCC desires to hire Contractor to perform work in accordance with this agreement and to compensate contractor on a commission basis herein provided;

Whereas Contractor is willing to perform services in accordance with the terms hereinafter set forth;

Now therefore in consideration of the mutual covenants and agreements herein contained, it is hereby agreed as follows:

PARAGRAPH 1. The BOCC shall pay contractor in accordance with the schedule attached hereto as Exhibit "A" incorporated by reference herein. Said amounts shall be due and payable on the schedule set up by the BOCC.

PARAGRAPH 2. The BOCC shall not be liable for any withholding tax, social security tax, work men's compensation or other expense or liability attributable to an employer/employee relationship.

PARAGRAPH 3. RELATIONSHIP BETWEEN PARTIES

Contractor is retained and employed by the BOCC only for the purposes and to the extent set forth in this agreement, and her relation to the BOCC and its subsidiary entities shall, during the period or periods of this employment and services hereunder, be that of an independent practitioner. Contractor shall be free to dispose of such portion of her entire time, energy and skill during regular business hours as he is not obligated to devote hereunder to the BOCC and its subsidiary entities in such manner as she sees fit and to such persons, firms, or professional service corporations as she deems advisable. Contractor shall not be considered as having an employee status or as being entitled to participate in any plans or arrangements of the BOCC or its subsidiary entities pertaining to or in connection with any pension, bonus, or similar benefits for its regular employees.

PARAGRAPH 4. PROFESSIONAL RESPONSIBILITY

Nothing in this Agreement shall be construed to interfere with or otherwise affect the rendering of services by Contractor in accordance with his independent and professional judgment. This agreement shall be subject to the rules and regulations of any and all professional organizations or associations to the Contractor may from time to time belong and the laws and regulations governing said practice in this State.
