

The Lafayette County Commission met on the above date and hour for a regular scheduled meeting. The meeting was held in the County Commissioner's meeting room in Mayo, Florida. The following members were present: Commissioner Lance Lamb, Dist. 1; Commissioner Thomas E. Pridgeon, Jr., Dist. 2; Commissioner Lisa Walker, Dist. 3; Commissioner Anthony Adams, Dist. 4; Commissioner Earnest L. Jones, Dist. 5; and Leenette McMillan-Fredriksson, County Attorney.

**APPROVE THE MINUTES**

On a motion by Mr. Lamb and a second by Mr. Pridgeon, the Board voted unanimously to approve the minutes.

**FRANK DARABI – COUNTY ROADS ENGINEER**

Frank Darabi, County Roads Engineer, came before the Board to discuss the SCOP Project to pave Turkey Road. He discussed the budgeting for this project, and the possibility of transferring funds from another project to fund this one, and about what area to pave and the distance of the paving. Frank told the Board that he would speak with someone at the Florida Department of Transportation about this project and get back with the Board with more information before the Board makes their final decision.

**LAFAYETTE COUNTY MAINTENANCE PROJECTS**

Marcus Calhoun discussed the doors at the Fourth District Community Center, and the change they wanted to make. The Board agreed to go with a darker glass on the door for the privacy of the renters.

Marcus asked the Board about what they wanted to do about repairing the roof at the Old Medical Building, which is now being used for storage. The Board agreed to post pone this for now for the Board members to go by and take a look at before they decide how to proceed.

**PUBLIC HEARING – FERTILIZER ORDINANCE**

The Board held a Public Hearing to discuss Ordinance No. 17-05, a Fertilizer Ordinance. Mr. Adams told Mrs. McMillan-Fredriksson a few of the changes that he wanted made to the Ordinance before it is approved. On a motion by Mr. Adams and a second by Mr. Pridgeon, the Board voted unanimously to have Mrs. McMillan-Fredriksson amend the Ordinance. On a motion by Mr. Pridgeon and a second by Mr. Adams, the Board voted unanimously to have Mrs. McMillan-Fredriksson read Ordinance No. 17-05-by title only. After the reading, the Chairman entertained a motion to approve the Ordinance as amended, but the item died for lack of a motion to approve.

## OPEN SEALED BIDS FOR BOOM MOWER

The Board opened sealed bids for a Boom Mower for the Road Department. The following bids were submitted: AgPro Company - \$129,100.00 (with trade-in) and Ring Power Corporation - \$143,815.00 (with trade-in). On a motion by Mr. Pridgeon and a second by Mr. Lamb, the Board voted unanimously to approve the low bid pending Scott Sadler's approval after he reviews both bids.

### APPROVE THE BILLS

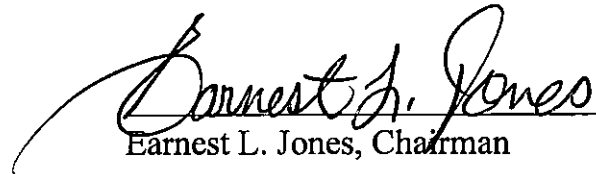

On a motion by Mr. Adams and a second by Mr. Pridgeon, the Board voted unanimously to approve the following bills:

General Fund - \$203,118.74

Emergency 911 Fund - \$249.85

### ADJOURN

On a motion by Mr. Adams and a second by Mr. Pridgeon, the Board voted unanimously to adjourn.

  
Ernest L. Jones, Chairman

AMENDED  
PUBLIC NOTICE

BOOK 38 PAGE 460

The Lafayette County Commission will be holding a regular scheduled meeting on Monday, July 10, 2017 at 9:00 a.m. The meeting will be held in the County Commissioner's Meeting Room at the Lafayette County Courthouse in Mayo, Florida. Listed below is an agenda for the meeting.

By Order Of:

Earnest L. Jones, Chairman  
Lafayette County Commission

**BOARD OF COUNTY COMMISSIONERS:**

1. Open the meeting.
2. Invocation and pledge to the flag.
3. Approve the minutes.
4. Requests and comments from the community.
  - A) Presentation to the Board from SRWMD Representatives.
5. Department Heads:
  - A) Marcus Calhoun – Maintenance.
  - B) Scott Sadler – Public Works.
  - C) Robert Hinkle – Building/Zoning.
  - D) Marty Tompkins – EMS.
  - E) Jana Hart – Extension Office.
6. Public Hearing – Consider a Fertilizer Ordinance (continued from the 6/26/17 meeting).
7. Open sealed bids for a 4-wheel drive tractor with boom mower for the Road Department.
8. Leenette McMillan-Fredriksson – various items.
9. Approve the bills.
10. Other Business.
  - A) Discuss the SCOP Project to pave Turkey Road.
11. Adjourn.

All members of the public are welcome to attend. Notice is further hereby given, pursuant Florida Statute 286.0105, that any person or persons deciding to appeal any matter considered at this public hearing will need a record of the hearing and may need to ensure that a verbatim record of the proceeding is made which record includes the testimony and evidence upon which the appeal is to be based.

*Persons with disabilities requesting reasonable accommodations to participate in this proceeding should contact (386) 294-1600 or via Florida Relay Service at (800) 955-8771.*

See [www.lafayetteclerk.com](http://www.lafayetteclerk.com) for updates and amendments to the agenda.

**From:** Bennette, Barney <Barney.Bennette@dot.state.fl.us>  
**Sent:** Friday, June 30, 2017 9:56 AM  
**To:** 'Steve Land'  
**Subject:** 436456-1 Turkey Road from SR 51 to McCray Road

Hi Steve,

We have a SCOP grant project coming up in FY 2019 to pave Turkey Road from SR 51 to McCray Road. We show a distance of 2.755 miles and have \$1,160,000 programmed. The County provided an estimate of \$ 1,321,185 last year but our internal estimate is closer to \$ 2,500,000 (\$1.2 million shortfall). Granted DOT estimates tend to be higher than County estimates, however I am concerned there is a significant funding shortfall on this project. Additionally, it looks like there are a limited number of residences on this roadway.

Here are a couple of questions for you:

- Can the County really pave this road for the \$1,321,185 that was estimated, or is there more likely to be a funding shortfall of roughly \$1.2 million? If the additional funds needed is small, we can probably cover it but we cannot cover a \$1.2 million shortfall.
- Since there are so few residents on Turkey Road and if there is a significant shortfall, would the county prefer to use the \$1,160,000 programmed on a different project ? I would estimate you could pave 1.2 to 1.5 miles of a dirt road, or resurface about 2.5 to 3 miles of an existing paved road. The funds could move to a different project but I would need to know within the next 2 weeks in order to reallocate the funds if that is desired.

Please consider the above and give me a call at your convenience.

Thanks,

LEGAL NOTICE  
NOTICE OF ENACTMENT OF ORDINANCE BY THE BOARD OF COUNTY COMMISSIONERS OF LAFAYETTE COUNTY, FLORIDA

NOTICE IS HEREBY GIVEN that an ordinance, whose title hereinafter appears, will be considered for enactment by the Board of County Commissioners, Lafayette County, Florida, at a public hearing held on June 26, 2017, at 5:30 pm, or as soon thereafter as the matters can be heard, in the County Commissioner's Meeting Room, Lafayette County Courthouse, located at 120 West Main Street, Mayo, Florida. Copies of said ordinance may be inspected by any member of the public at the Office of the County Clerk located at Lafayette County Courthouse, 120 West Main Street, Mayo, Florida, during regular business hours. On the date, time and place first above mentioned, all interested persons may appear and be heard with respect to the ordinance.

ORDINANCE 2017-

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF LAFAYETTE COUNTY, FLORIDA ADOPTING FLORIDA-FRIENDLY USE OF FERTILIZER ON URBAN LANDSCAPES; REGULATING THE PROPER USE OF FERTILIZERS BY ANY APPLICATOR; REQUIRING PROPER TRAINING OF COMMERCIAL AND INSTITUTIONAL FERTILIZER APPLICATORS; ESTABLISHING TRAINING AND LICENSING REQUIREMENTS; ESTABLISHING A PROHIBITED APPLICATION PERIOD; SPECIFYING ALLOWABLE FERTILIZER APPLICATION RATES AND METHODS; ESTABLISHING FERTILIZER FREE ZONES; ESTABLISHING LOW MAINTENANCE ZONES; PROVIDING FOR EXEMPTIONS; PROVIDING FOR ENFORCEMENT.

The public hearings may be continued to one or more future dates. Any interested party shall be advised that the date, time and place of any continuation of the public hearings shall be announced during the public hearings and that no further notice concerning the matters will be published.

All persons are advised that, if they decide to appeal any decision made at the public hearings, they will need a record of the proceedings and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF LAFAYETTE COUNTY, FLORIDA, ADOPTING FLORIDA-FRIENDLY USE OF FERTILIZER ON URBAN LANDSCAPES; REGULATING THE PROPER USE OF FERTILIZERS BY ANY APPLICATOR; REQUIRING PROPER TRAINING OF COMMERCIAL AND INSTITUTIONAL FERTILIZER APPLICATORS; ESTABLISHING TRAINING AND LICENSING REQUIREMENTS; ESTABLISHING A PROHIBITED APPLICATION PERIOD; SPECIFYING ALLOWABLE FERTILIZER APPLICATION RATES AND METHODS; ESTABLISHING FERTILIZER-FREE—ZONES; ESTABLISHING LOW MAINTENANCE ZONES; PROVIDING FOR EXEMPTIONS; PROVIDING FOR ENFORCEMENT.

WHEREAS, the Florida Springs and Aquifer Protection Act, Florida Statutes Chapter 373. Part VIII enacted into law by the Florida Legislature in 2016, finds that springs are a unique part of this state's scenic beauty: that Springs provide critical habitat for plants and animals, including many endangered or threatened species: that springs also provide immeasurable natural, recreational, economic, and inherent value: that springs are of great scientific importance in understanding the diverse functions of aquatic ecosystems: that Water quality of springs is an indicator of local conditions of the Florida Aquifer, which is a source of drinking water for many residents of this state: that water flows in springs may reflect regional aquifer conditions: that springs provide recreational opportunities for swimming, canoeing, wildlife watching, fishing, cave diving, and many other activities in this state: and that these recreational opportunities and the accompanying tourism they provide are a benefit to local economies and the economy of the state; and

WHEREAS, the Florida Springs and Aquifer Protection Act provides special protections for designated Outstanding Florida Springs (OFS); and

WHEREAS, based on the Florida Department of Environmental Protection's analysis, Lafayette County's jurisdictional boundaries include Outstanding Florida Springs; and

WHEREAS, the Florida Springs and Aquifer Protection Act requires local government entities whose boundaries include an OFS or any part of the spring shed (contributing area) of an OFS to adopt a fertilizer ordinance by July 1, 2017 (Fla. Stat. Section 373.807(2) & Fla. Stat. Section 403.9337); and

WHEREAS, the Florida Springs and Aquifer Protection Act requires that the adopted fertilizer ordinance be based on the Model Ordinance for —Florida-Friendly Fertilizer —Use on Urban Landscapes (Fla. Stat. Section 373.807(2) & Fla. Stat. Section 403.9337); and

WHEREAS, the Lafayette County Board of County Commissioners. in recognition of its statutorily imposed duty, wishes to adopt an ordinance in compliance therewith; and

WHEREAS, adoption of this ordinance will further the health, safety and welfare of the citizens of Lafayette County.

NOW THEREFORE BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF LAFAYETTE COUNTY, FLORIDA:

SECTION 1. FINDINGS

As a result of impairment to Lafayette County's surface waters caused by excessive nutrients, or, as a result of increasing levels of nitrogen in the surface and/or ground water within the aquifers or springs within the boundaries of Lafayette County, the Lafayette County Board of County Commissioners ("Board") has determined that the use of fertilizers on lands within the county creates a risk to contributing to adverse effects on surface and/or ground water. Accordingly, the Board finds that management measures contained in the most recent edition of the "Florida-Friendly Best Management Practices for Protection of Water Resources by the Green Industries, 2008," may be required by this ordinance.

SECTION 2. PURPOSE AND INTENT

This Ordinance regulates the proper use of fertilizers by any applicator; requires proper training of Commercial and Institutional Fertilizer Applicators; establishes training and licensing requirements; establishes a Prohibited Application Period; specifies allowable fertilizer application rates and methods, fertilizer-free zones, low maintenance zones, and exemptions. The Ordinance requires the use of Best Management Practices which provide specific management guidelines to minimize negative secondary and cumulative environmental effects associated with the misuse of fertilizers. These secondary and cumulative effects have been observed in and on the county's natural and constructed storm water conveyances, rivers, creeks, canals, springs, lakes, estuaries and other water bodies. Collectively, these water bodies are an asset critical to the environmental, recreational, cultural and economic well-being of Lafayette County residents and the health of the public. Overgrowth of algae and vegetation hinder the effectiveness of flood attenuation provided by natural and constructed storm water conveyances. Regulation of nutrients, including both phosphorus and nitrogen contained in fertilizer, will help improve and maintain water and habitat quality.

SECTION 3. DEFINITIONS

For this Ordinance, the following terms shall have the meanings set forth in this section unless the context clearly indicates otherwise.

"Administrator" means the administrative official of Lafayette County government designated by the Board to administer and enforce the provisions of this Ordinance.

"Application" or "Apply" means the actual physical deposit of fertilizer to turf or landscape plants.

"Applicator" means any Person who applies fertilizer on turf and/or landscape plants in Lafayette County.

"Board or Governing Board" means the Board of County Commissioners of Lafayette County, Florida.

"Best Management Practices" means turf and landscape practices or combination of practices based on research, field-testing, and expert review, determined to be the most effective and practicable on-location means, including economic and technological considerations, for improving water quality, conserving water supplies and protecting natural resources.

"Code Enforcement Officer" or "Enforcement Official" or "Code Enforcement Inspector" means any designated employee or agent of Lafayette County whose duty it is to enforce codes and ordinances enacted by Lafayette County.

"Commercial Fertilizer Applicator", except as provided in 482.1562(9) F.S., means any person who applies fertilizer for payment or other consideration to property not owned by the person or individual applying the fertilizer or the employer of the applicator.

"Fertilize," "Fertilizing," or "Fertilization" means the act of applying fertilizer to turf, specialized turf, or landscape plants.

"Fertilizer" means any substance or mixture of substances that contains one or more recognized plant nutrients and promotes plant growth, or controls soil acidity or alkalinity, or provides other soil enrichment, or provides other corrective measures to the soil.

"Guaranteed Analysis" means the percentage of plant nutrients or measures of neutralizing capability claimed to be present in a fertilizer.

"Institutional Applicator" means any person, other than a private, non-commercial or a Commercial Applicator (unless such definitions also apply under the circumstances), that applies fertilizer for the purpose of maintaining turf and/or landscape plants. Institutional Applicators shall include, but shall not be limited to, owners, managers or employees of public lands, schools, parks, religious institutions, utilities, industrial or business sites and any residential properties maintained in condominium and/or common ownership.

"Landscape Plant" means any native or exotic tree, shrub, or groundcover (excluding turf).

"Low Maintenance Zone" means an area a minimum of ten (10) feet wide adjacent to water courses which is planted and managed in order to minimize the need for fertilization, watering, mowing, etc.

"Person" means any natural person, business, corporation, limited liability company, partnership, limited partnership, association, club, organization, and/or any group of people acting as an organized entity.

"Prohibited Application Period" means the time period during which a Flood Watch or Warning, or a Tropical Storm Watch or Warning, or a Hurricane Watch or Warning is in effect for any portion of Lafayette County, issued by the National Weather Service;

"Saturated soil" means a soil in which the voids are filled with water. Saturation does not require flow. For the purposes of this ordinance, soils shall be considered saturated if standing water is present or the pressure of a person standing on the soil causes the release of free water.

"Slow Release," "Controlled Release," "Timed Release," "Slowly Available," or "Water Insoluble Nitrogen" means nitrogen in a form which delays its availability for plant uptake and use after application, or which extends its availability to the plant longer than a reference rapid or quick release product.

"Turf," "Sod," or "Lawn" means a piece of grass-covered soil held together by the roots of the grass.

"Urban landscape" means pervious areas on residential, commercial, industrial, institutional, highway rights-of-way, or other nonagricultural lands that are planted with turf or horticultural plants. For the purposes of this section, agriculture has the same meaning as in F.S. 570.02.

#### SECTION 4. APPLICABILITY

This Ordinance shall be applicable to and shall regulate any and all applicators of fertilizer and areas of application of fertilizer within the unincorporated area of Lafayette County, unless such applicator is specifically exempted by the terms of this Ordinance from the regulatory provisions of this Ordinance. This Ordinance shall be perspective only, and shall not impair any existing contracts.

#### SECTION 5. TIMING OF FERTILIZER APPLICATION

No applicator shall apply fertilizers containing nitrogen and/or phosphorus to turf and/or landscape plants during the Prohibited Application Period, or to saturated soils.

#### SECTION 6. FERTILIZER FREE ZONES

Fertilizer shall not be applied within ten (10) feet of any pond, stream, watercourse, lake, canal, or wetland as defined by the Florida Department of Environmental Protection, or from the top of a seawall, unless a deflector shield, drop spreader, or liquid applicator with a visible and sharply defined edge, is used, in which case a minimum of 3 feet shall be maintained. If more stringent Lafayette County Code regulations apply, this provision does not relieve the requirement to adhere to the more stringent regulations. Newly planted turf and/or landscape plants may be fertilized in this Zone only for a sixty (60) day period beginning 30 days after planting if need to allow the plants to become well established. Caution shall be used to prevent direct deposition of nutrients into the water.

#### SECTION 7. LOW MAINTENANCE ZONES

A voluntary ten (10) foot low maintenance zone is strongly recommended, but not mandated, from any pond, stream, water course, lake, wetland or from the top of a seawall. A swale/berm system is recommended for installation at the landward edge of this low maintenance zone to capture and filter runoff. If more stringent Lafayette County Code regulations apply, this provision does not relieve the requirement to adhere to the more stringent regulations. No mowed or cut vegetative material may be deposited or left remaining in this zone or deposited in the water. Care should be taken to prevent the over- spray of aquatic weed products in this zone.

#### SECTION 8. FERTILIZER CONTENT AND APPLICATION RATES

- (a) Fertilizers applied to turf within Lafayette County shall be applied in accordance with requirements and directions provided by Rule 5E-1.003, Florida Administrative Code.
- (b) Fertilizer containing nitrogen shall not be applied before seeding or sodding a site, and shall not be applied for the first 30 days after seeding or sodding, except when hydro-seeding for temporary or permanent erosion control in an emergency (wildfire, etc.), or in accordance with the Storm Water Pollution Prevention Plan for that site.

Nitrogen or phosphorus fertilizer shall not be applied to turf or landscape plants except as provided in (a) above for turf, or in UF/IFAS recommendations for landscape plants, vegetable gardens, and fruit trees and shrubs, unless a soil or tissue deficiency has been verified by an approved test.

#### SECTION 9. APPLICATION PRACTICES

- (a) Spreader deflector shields are required when fertilizing via rotary (broadcast) spreaders. Deflectors must be positioned such that fertilizer granules are deflected away from all impervious surfaces, fertilizer-free zones and water bodies, including wetlands.
- (b) Fertilizer shall not be applied, spilled, or otherwise deposited on any impervious surfaces.
- (c) Any fertilizer applied, spilled, or deposited, either intentionally or accidentally, on any impervious surface shall be immediately and completely removed to the greatest extent practicable.
- (d) Fertilizer released on an impervious surface must be immediately contained and either legally applied to turf or any other legal site, or returned to the original or other appropriate container.
- (e) In no case shall fertilizer be washed, swept, or blown off impervious surfaces into storm water drains, ditches, conveyances, or water bodies.

#### SECTION 10. MANAGEMENT OF GRASS CLIPPINGS AND VEGETATIVE MATTER

In no case shall grass clippings, vegetative material, and/or vegetative debris be washed, swept, or blown off into storm water drains, ditches, conveyances, water bodies, wetlands, or sidewalks or roadways. Any material that is accidentally so deposited shall be immediately removed to the maximum extent practicable.

#### SECTION 11. EXEMPTIONS

The provisions set forth above in this Ordinance shall not apply to:

- (a) bona fide farm operations as defined in the Florida Right to Farm Act, Section 823.14 Florida Statutes;
- (b) other properties not subject to or covered under the Florida Right to Farm Act that have pastures used for grazing livestock;
- (c) any lands used for bona fide scientific research, including, but not limited to, research on the effects of fertilizer use on urban storm water, water quality, agronomics, or horticulture urban landscape commercial applicators and residential homeowners possessing a Florida Commented Department of Environmental Protection Green Industry-Best Management Practices Certificate of Training are exempt from the terms of the prohibited application period for dormant months.

#### SECTION 12. TRAINING

All commercial and institutional applicators of fertilizer within the unincorporated area of Lafayette County, shall abide by and successfully complete the six-hour training program in the "Florida Friendly Best Management Practices for Protection of Water Resources by the Green

Industries " offered by the Florida Department of Environmental Protection through the University of Florida Extension "Florida-Friendly Landscaping" program, or an approved equivalent.

(a) Private, non-commercial applicators are encouraged to follow the recommendations of the University of Florida IFAS Florida Yards and Neighborhoods program when applying fertilizers.

#### SECTION 13. LICENSING OF COMMERCIAL APPLICATORS

All commercial applicators of fertilizer within the unincorporated area of Lafayette County, shall have and carry in their possession at all times when applying fertilizer, evidence of certification by the Florida Department of Agriculture and Consumer Services as a Commercial Fertilizer Applicator per 5E-14.117, FAC. All businesses applying fertilizer to turf and/or landscape plants (including but not limited to residential lawns, golf courses, commercial properties, and multi-family and condominium properties) must ensure that at least one employee has a "Florida-Friendly Best Management Practices for Protection of Water Resources by the Green Industries" training certificate prior to the business owner obtaining a Local Business Tax Certificate. Owners for any category of occupation which may apply any fertilizer to Turf and/or Landscape Plants shall provide proof of completion of the program to the Lafayette County Tax Collector's Office.

#### SECTION 14. ENFORCEMENT

Every code enforcement officer shall, in connection with all other duties imposed by law, be authorized to enforce the provisions of this ordinance. In addition, the county administrator may also delegate enforcement responsibility for this ordinance to agencies and departments of county government, in accordance with state and local law.

#### SECTION 15. SEVERABILITY

If any provision or portion of this ordinance is declared by any court of competent jurisdiction to be void, unconstitutional or unenforceable, then all remaining provisions and portions of this ordinance shall remain in full force and effect.

#### SECTION 16. CONFLICT

All ordinances or portions of ordinances in conflict with this ordinance are hereby repealed to the extent of such conflict.

#### SECTION 17. EFFECTIVE DATE

Pursuant to Section 125.66, Florida Statutes, as amended, a certified copy of this ordinance shall be filed with the Florida Department of State by the Clerk of the Board of County Commissioners within ten (10) days after enactment by the Board of County Commissioners. This ordinance shall become effective upon filing of the ordinance with the Florida Department of State.

PASSED AND ADOPTED in regular session this \_\_\_\_\_ day of July, 2017.

PUBLIC NOTICE #002

The Lafayette County Commission will be accepting sealed bids for an agriculture type tractor with a boom mower (4 wheel drive). Anyone interested in bidding should turn in their sealed bids to the Clerk of Court's office, located at 120 West Main Street, P.O. Box 88, Mayo, Florida 32066. Specifications may be obtained at the Clerk's Office as well. Contact Lafayette County Public Works Director, Scott Sadler, at (386) 208-2795 with any questions you may have. The bids are due by Friday, July 7, 2017 at 12:00 p.m. and will be opened at a regular scheduled Board Meeting on Monday, July 10, 2017 at 9:00 a.m. or as soon thereafter as they can be opened.

The Lafayette County Board of Commissioners reserve the right to accept and/or reject any and all bids, with or without cause, to waive technicalities or to accept the bid which, in its judgment, best serves the interest of Lafayette County. Persons are advised that, if they decide to appeal any decision made concerning the award of this bid, they will need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be made. Bid results other than the apparent low bidder will not be provided in response to telephone inquiries. Bidders desiring a copy of the bid abstract should include such request with a self addressed stamped envelope in their bid.
