SPECIAL EXCEPTION 12-002 APPEAL

The Board considered an appeal from Chris Joyner on the Board of Adjustment's denial of a special exception regarding mud bogging. The Board determined from information presented by Chris Joyner and Bobby Johnson that all deficiencies the denial was based on have been corrected. The Board specifically required as a condition of the special exception for mud bogging that the applicant's liability insurance for a minimum of \$1,000,000.00 specifically cover mud bogging and bodily injury of participants. Proof of insurance and notice of upcoming mud bogging events is due seven days prior to the event in the Code Enforcement office. Failure to file said notice of the event or proof of insurance or failure to follow any other conditions of special exception shall result in immediate withdrawal of the special exception. Chris Joyner was present at the meeting and agreed to all conditions and consequences thereof in the event conditions are violated.
