RESOLUTION NO. 2021-05-03

A Resolution authorizing Lafayette County (herein referred to as this "Governmental Unit") to join with the State of Florida and other local governmental units as a participant in the Florida Memorandum of Understanding and Formal Agreements Implementing a Unified Plan.

WHEREAS, Lafayette County has suffered harm from the opioid epidemic;

WHEREAS, Lafayette County recognizes that the entire State of Florida has suffered harm as a result from the opioid epidemic;

WHEREAS, the State of Florida has filed an action pending in Pasco County, Florida, and a number of Florida Cities and Counties have also filed an action *In re: National Prescription Opiate Litigation*, MDL No. 2804 (N/D/ Ohio) (the "Opioid Litigation") and Lafayette County is not a litigating participant in that action;

WHEREAS, the State of Florida and lawyers representing certain various local governments involved in the Opioid Litigation have proposed a unified plan for the allocation and use of prospective settlement dollars from opioid related litigation;

WHEREAS, the Florida Memorandum of Understanding (the "Florida Plan") sets forth a framework of a unified plan for the proposed allocation and use of opioid settlement proceeds and it is anticipated that formal agreements implementing the Florida Plan will be entered into at a future date; and,

WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and should improve Florida's relative bargaining position during additional settlement negotiations;

WHEREAS, failure to participate in the Florida Plan will reduce funds available to the State, Lafayette County, and every other Florida city and county;

NOW, THEREFORE, BE IT RESOLVED BY THIS GOVERNMENTAL UNIT:

SECTION 1. That this Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its citizens in that such a plan ensures that almost all of the settlement funds go to abate and resolve the opioid epidemic and each and every city and county receives funds for the harm that it has suffered.

SECTION 2. That this Governmental Unit hereby expresses its support of a unified plan for the allocation and use of opioid settlement proceeds as generally described in the Florida Plan, attached hereto as Exhibit "A."

SECTION 3. That Lafayette County Board of County Commissioners are hereby expressly authorized to execute the Florida Plan in substantially the form contained in Exhibit "A."

SECTION 4. That Lafayette County Board of County Commissioners are hereby authorized to execute any formal agreements implementing a unified plan for the allocation and use of opioid settlement proceeds that is not substantially inconsistent with the Florida Plan and this Resolution.

SECTION 5. That the Clerk hereby is instructed to record this Resolution in the appropriate record book upon its adoption.

SECTION 6. The Clerk of this Governmental Unit is hereby directed to furnish a certified copy of this Resolution to the Florida Association of Counties.

SECTION 7. This Resolution shall take effect immediately upon its adoption.

Adopted this 10th day of May, 2021.

Attest:

Clerk of Court

Anthony Adams, Chairman
Lafayette County Commission

Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies (“Core Strategies”)[, such that a minimum of ___% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].¹

A. Naloxone or other FDA-approved drug to reverse opioid overdoses

1. Expand training for first responders, schools, community support groups and families; and
2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. Medication-Assisted Treatment (“MAT”) Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;
2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;
3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and
4. Treatment and Recovery Support Services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication with other support services.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment (“SBIRT”) services to non-Medicaid eligible or uninsured pregnant women;
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder (“OUD”) and other Substance Use Disorder (“SUD”)/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and
3. Provide comprehensive wrap-around services to individuals with Opioid Use Disorder (OUD) including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;
2. Expand services for better continuum of care with infant-need dyad; and
3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

¹ As used in this Schedule A, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;
2. Expand warm hand-off services to transition to recovery services;
3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions. ;
4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and
5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and
2. Increase funding for jails to provide treatment to inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);
2. Funding for evidence-based prevention programs in schools.;
3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);
4. Funding for community drug disposal programs; and
5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe services programs with more wrap-around services including linkage to OUD treatment, access to sterile syringes, and linkage to care and treatment of infectious diseases.

I. Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the State.
